WINTER 2

SECOND HALF

Welcome to Winter 2! We have made it to the second half of the skating season. This always seem to be the busiest part of the season, as we host Regionals, attend Winter Games and Winter Classic. We will also host a High-Test Day. And then there's Ice Show! This all take place from now until March!

JANUARY 20-22, 2023

REGIONAL INVITATIONAL

We are excited to be the host club for the 2023 Region 2, 3, 4, & 5 Invitational Competition. This will be a 3-day event with over 200 skaters registered, 28 of them being MJSC members! Running a successful competition takes many volunteers! If you can spare some time we are looking for volunteers.

LOOKING BACK ON 2022

2022 was a very successful year. We welcomed a new President, Karla Terry. We watched our CanPower Skate program get off to a great start! We ran a successful summer camp, offering Star Skate, CanSkate & CanPower programs. We also welcomed many new families to our STAR Skate program. We can't wait to see what 2023 brings!

CANSKATE & CANPOWER

January brings 2 new blocks for CS & CP. With both programs filling up quickly, be sure to register or put your name on the wait list! The CS & CP coaches are very happy with all the progress the skaters made in the first 2 blocks! Everyone is looking forward to being back to regular programs Starting Jan 4th!

STAR Skate Invitational, Sectionals & Winter Games Run Off Results

MJSC sent 13 skaters to Melfort in December to compete. We are proud to report every single skater had personal bests and some came home Provincial Champions! Camryn Ferguson competed in the STAR Skate Invitational and finished Second in her Long Program (pictured above) and First in her short program.
